

PETITION FOR APPROVAL OF VARIANCE #33989

This is a petition to appeal to the McNeil Estates residents to approve variance #33989 for the erection of a large garage at the residence of Henry and Shirley Sanchez (Sanarp Trust) at 3018 Ashby Ave. The Sanchez's are classic car collectors and enthusiasts and this 3,000 square foot garage would house their collection and equipment for maintenance and restoration of the collection. The collection involves approximately five keepers. A 1955 Cadillac deVille, a 1930 Model A Ford pick-up, a 1947 Dodge tow truck, a 1957 Cadillac convertible, and a 1929 Model A Ford Tudor. We believe that this structure will enhance the value of this neighborhood as it is a high quality building and it can hardly be seen from the street. We, at this time, invite any resident who wants to see the structure to come and see it for their own evaluation and hopefully, approval and give us their comments.

Thank you,

Henry Sanchez

Shirley Sanchez

We, the undersigned approve the structure at 3018 Ashby Ave. under variance #33989:
